Donation Requests

In order to be eligible for a New Hope Mills donation, your event or fundraiser must benefit a local community effort (within Cayuga County or other surrounding counties). New Hope Mills donates to local schools, churches, fire departments and other nonprofits to help them further their missions and support fundraising events.

New Hope Mills typically contributes in forms of Gift Baskets, Gift Boxes, or Gift Certificates. For Pancake Breakfast events, New Hope Mills offers discounted rates on Pancake Breakfast Supplies (Cases or 50lb Bags) if the business gets prior approval through the form of a Donation Request.

All donation requests must be submitted by email to 'Store@NewHopeMills.com'. *These requests are not accepted at our Headquarters Store and Café location.* Each request must include the included application as well as an Event Flyer/Formal Letter of Request to be considered for donation or discount. Donation Requests take 5-10 Business Days to process. Due to a high volume of donation requests, New Hope Mills is selective about which fundraisers/events to sponsor and do not provide follow-up contact to submissions that were not approved. Submit one donation request per event – repetitive submissions for the same event will not be considered. All approved donations are not eligible to be shipped – they are pick-up only.

If your donation request is approved, an appropriate New Hope Mills staff member will contact you. Our Store/Café Staff is not authorized for Donations, so inquiries on your request cannot be answered. If you do not hear back within the designated timeframe, then the Donation Request has not been approved.
