

PRODUCT REQUEST

To my local store,

I'd like you to know that you're my preferred store, however, you know what would make me come here even more? If you carried New Hope Mills products!

New Hope Mills is a third generation family-owned business that honors old traditions and believes in making premium quality food that will bring families back to the table. What's not to love about that?

I'm asking that you contact New Hope Mills at Orders@NewHopeMills.com so they can send you their Wholesale pricing information. Minimum orders are as low as 1 case, and they'll even send you a free sample if you're not a believer (yet)!

On top of having my family and I as another happy and satisfied customer, there's even more to be excited about. If you contact Store@NewHopeMills.com, they'll highlight your business on the New Hope Mills Social Media page. Thank you in advance!

Sincerely,

A Customer Who Loves New Hope Mills
